As announced on 27 May 2014, Ingenia has reinstated a Distribution Reinvestment Plan (DRP). Eligible securityholders are able to elect to participate in the Group's DRP in respect of this distribution and have until 4 March 2015 to lodge their election notice with the Group's Share Registry, Link Market Services.

The Board advises the following in relation to the DRP:

- The Market Price of stapled securities issued under the DRP will be the arithmetic average of the daily volume weighted average price of stapled securities sold on the ASX during the 10 business days up to and including the Record Date;
- The discount applicable to the calculated Market Price above is 2.0%;
- Shares allotted under the DRP will be via the issue of new INA stapled securities;
- Eligible securityholders may elect to participate in the DRP either fully or partially.

Securityholders that have not elected to participate in the DRP are advised that the distribution will be paid on a compulsory direct credit basis. Those securityholders that have not provided their bank details directly to the Group's share registry, Link Market Services, are encouraged to do so.
